Independent Expenditure Table 1

Committees Reporting Independent Expenditures

from January 1, 2007 through September 30, 2008

The independent expenditures below were reported by political committees registered with the Federal Election Commission on Schedule E of FEC Form 3X within the given reporting period. Political committees are required to submit 24- and 48-hour notices of these communications, but must also report them on their next scheduled quarterly, monthly or election-sensitive report. In order to avoid duplicate entries in the table below, only Schedule E transactions from a quarterly, monthly or election-sensitive report are included here, and amendments have replaced original filings.
