SUBJECT: BCRA Rulemaking Calendar

Attached is the revised rulemaking calendar for the regulations to implement the Bipartisan Campaign Reform Act. The revised calendar includes several changes from the version that was circulated to the Regulations Committee on July 8, 2002. Most of the dates for the "Electioneering Communications" project have been moved forward with the Commission approving the final rules on September 26, 2002. To accommodate the new dates for "Electioneering Communications," the date for Commission approval of the Notice of Proposed Rulemaking for "Other Provisions" has been changed from August 29 to August 22. No other dates have been changed.
