SUBJECT: Recommended correction to Agenda Doc. No. 03-90

The Office of General Counsel recommends amending Agenda Document No. 03-90 as follows:

1. Replace the text beginning on page 26, line 23 through page 27, line 6 with the following new text:

“flies to an airport near Chicago, Illinois, that is also without any commercial airline service. The closest airports with regularly scheduled first-class commercial airline service are BWI airport in Maryland and O’Hare International Airport in Chicago, respectively. After several hours at a Chicago campaign rally, the candidate travels from Chicago to JFK airport in New York for a campaign fundraising event before returning to Dulles airport in Virginia. Assuming that there are first class flights between O’Hare and JFK, and between JFK and Dulles, the proper payment for the entire trip would be the sum of the cost of a non-discounted, first class tickets for a flight from BWI to O’Hare, plus a flight from O’Hare to JFK, plus a flight from JFK to Dulles.”
