Subject: June 11th public hearing on the FECA's enforcement procedures

Dear Ms. Lebeaux,

Please accept this late request to testify at the hearing on June 11th.

I have represented a number of clients who have been the subject of FEC investigations and enforcement actions. One client, The Christian Coalition, prevailed in court after a very extensive investigation.

I believe that the FEC would benefit from public testimony about our experiences. I request, therefore, that a representative of the Christian Coalition and I be permitted to testify at the June 11th hearing.
