DESCRIPTION OF REPORT

PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office, for the period which began on January 1, 1993. Political committees, which are entities registered with the Federal Election Commission, report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports has been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial information for each registered state and local major party committee, while VOLUME

III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade Membership Health, Cooperative, Corporation Without Stock) do the same for each non-party political committee.

WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees.

LIMITATIONS:

This report is a final report designed to give a complete picture of the financial activity which occurred during the 1993 - 1994 election cycle.

Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election Commission. This final study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public

record.

PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1992. As subsequent reports pertaining to 1991-92 activity were received during 1993, 1994, and 1995, the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this Report's TABLES were run on August 31, 1995, and used certain 1993-1994 data which had been entered up to and including that date.

SUMMARY OF TABLES

NATIONAL, PRESIDENTIAL CONVENTION, STATE AND LOCAL POLITICAL COMMITTEES

The TABLES are designed to show selected information for the Democratic and Republican national political committees, for Presidential convention committees, and for all state and local major party committees by totals. (Party political committees are those committees that are part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.) Also provided, at the end of the listings of state and local committees, is information for major party committees formed by Americans in foreign countries. The EXPLANATIONS OF COLUMNS for national and for state and local committees provide detailed definitions of columns and explanations of organization; they should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN NATIONAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipts, disbursements, and debt information. Total receipts and total disbursements, which are shown

first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are sometimes inflated, due in large part to the fact that these sums include receipts from committees within the same category (e.g., Congressional) which have historically transferred monies between themselves, as allowed by the Federal Election Campaign Act, as amended. These receipts should be treated as though they were internal transfers within a category of committees so that the same dollar is not counted twice as a receipt. Therefore, all such transfers within a category are given in the next column of the TABLE. These transfers are then subtracted from total receipts (or total disbursements) in order to produce an adjusted figure in the second column (either "NET RECEIPTS" or "NET DISBURSEMENTS"). It is these two columns which most accurately depict receipts and disbursements. For additional information on categories of committees, see page xxi, NATIONAL-DEMOCRATIC, NATIONAL-REPUBLICAN.

The remaining information in this TABLE on specific types of receipts and

disbursements provides a partial picture of a political committee's exact income and spending.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity.

TABLE B, "SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN PRESIDENTIAL CONVENTION POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," presents for publicly and privately financed Presidential convention committees identical information to that given for national committees in TABLE A.

TABLE C, "STATE" TOTALS OF SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," is identical in design to TABLE A except in two respects. Unlike TABLE A where each of the national committees is listed, TABLE C show all the state and local party committees in a state grouped together. (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party

organizations by modifying the definition of which activities cause such an organization to become a political committee.)

TABLE D, "SUMMARY INFORMATION ON THE FINANCIAL ACTIVITY AND ASSISTANCE TO CANDIDATES OF DEMOCRATIC AND REPUBLICAN NATIONAL, PRESIDENTIAL CONVENTION, AND STATE/LOCAL POLITICAL COMMITTEES," summarizes in one place information which is contained on various pages of TABLE A, B, and C. It displays data on net receipts and disbursements, latest "cash on hand," debts, and assistance to candidates.* Also given is the number of committees in each of the groups.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000. It may also include contributions to debt retirement or Congressional elections after 1994. Federal offices from different kinds of party committees, e.g., do state/local committees contribute to incumbent House members while national committees support open-seat Senate candidates.

TABLE E, "CONTRIBUTIONS TO CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY OFFICE AND INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS," shows contributions to incumbent versus other candidates* for various

TABLE F, "CONTRIBUTIONS TO CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," continues the presentation of information on contributions to candidates.* The TABLE displays relationships between types of committees and the size of contribution which they made to candidates, e.g., do national committees make larger contributions than state and local groups. In addition, the percentage of committees in a group which have participated in this campaign financing activity is given.

TABLE G, "TOTAL RECEIPTS OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL AND PRESIDENTIAL CONVENTION/STATE/LOCAL TOTALS) BY RECEIPT AMOUNT," serves two purposes. It displays the distribution of national and Presidential convention/state/local committees into different total receipts classes, and it provides the basis for TABLE H. It summarizes information from

TABLES A, B, and C and shows whether national or Presidential convention/state/local groups tend to have committees which receive larger inflows of funds.

TABLE H, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN TOTAL RECEIPT CLASSES OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL/STATE/LOCAL TOTALS) BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's total receipts and the number and size of its contributions to candidates, e.g., does a committee with total receipts of \$500,000 make many contributions of moderate size while one with income of \$20,000 makes a small number of large contributions.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000. It may also include contributions to debt retirement or Congressional elections after 1994.

TABLE I, "LATEST CASH-ON-HAND OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL AND PRESIDENTIAL CONVENTION/STATE/LOCAL TOTALS) BY CASH-ON-HAND AMOUNT," like TABLE G, serves two purposes. It presents the distribution of national and Presidential convention/state/local committees into different latest 1994 "cash on hand" classes, and it provides the basis for TABLE J. It summarizes information from TABLES A, B, and C and shows whether national or Presidential convention/state/local groups tend to have committees which report larger latest 1994 "cash on hand" amounts.

TABLE J, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN LATEST CASH-ON-HAND CLASSES OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL/STATE/LOCAL TOTALS) BY CONTRIBUTION AMOUNT," displays the relationship between the size of a committee's latest 1994 "cash on hand" and the number and size of its contributions to candidates,* e.g., does a committee with latest 1992 "cash on hand" of \$103,000 make many contributions of moderate size while one with latest 1994 "cash on hand" of \$2,500 makes a small number of large contributions.

TABLE K, "EXPENDITURES ON BEHALF OF CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY OFFICE AND INCUMBENT/CHALLENGER- OTHER/OPEN-SEAT

CANDIDATE STATUS," shows coordinated expenditures on behalf of incumbent versus other candidates* for various Federal offices from different kinds of party committees, e.g., do state/local committees make expenditures on behalf of incumbent House members while national committees support open-seat Senate candidates. These expenditures made by party committees in coordination with general candidates are limited to \$29,300 or \$58,600 in states with only one district for each House candidate, and an amount based on the voting age population of the Senate candidates. A separate limit exists for national and state/local party committees.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking election to federal office who has not received contributions in excess of \$5,000.

II
SUMMARY OF TABLES

NON-PARTY POLITICAL COMMITTEES

The TABLES are designed to show selected information for the non-party political committees by totals for six types of committees. (A non-party political committee means any committee that has not been authorized by any candidate and which is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.) The EXPLANATION OF COLUMNS for non-party committees provides detailed definitions of columns and explanations of organization; it should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF NON-PARTY POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information. Total receipts and total disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are sometimes inflated, due in large part to the fact that these sums include receipts from affiliated

committees. As a result of reduced processing of information during the 1993-94 election cycle, it is not possible to isolate transfers among affiliated committees. As such, receipts and disbursements for a few grouped committees are somewhat inflated. The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity.

*Note that some of this assistance may have been to individuals who are not statutory "candidates" under the 1979 Amendments to the Federal Election

Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000. It may also include contributions to debt retirement or Congressional elections after 1994.

TABLE B, "SUMMARY INFORMATION ON THE FINANCIAL ACTIVITY AND ASSISTANCE TO CANDIDATES OF NON-PARTY POLITICAL COMMITTEES," summarizes in one place information which is contained on various pages of TABLE A. It displays data on receipts and disbursements, latest "cash on hand," debts and assistance to candidates.* Also given is the number of committees in each of the groups.

TABLE C, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY CANDIDATES' PARTY," displays different types of non-party committees and their candidate* contribution activity. In addition the percentage of committees in a group which have engaged in this activity is given.

TABLE D, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY OFFICE, INCUMBENT-CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS AND PARTY," provides data on contributions to candidates,* e.g., does a particular type of non-party committee contribute to candidates for one federal office or for all three offices, to incumbents or to other candidates, or to candidates of a particular party.

TABLE E, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," continues the presentation of information on contributions to candidates.* The TABLE displays relationships between types of committees and the size of contributions which they made to candidates, e.g., does one type of committee make larger contributions than another.

TABLE F, "TOTAL RECEIPTS OF NON-PARTY POLITICAL COMMITTEES BY RECEIPT AMOUNT," serves two purposes. It displays the distribution of corporation-connected, labor-connected, etc. committees into different total receipts classes, and it provides the basis for TABLE G. It summarizes information from TABLE A and shows whether one group or another tends to have committees which receive larger inflows of funds.

*Note that some of this assistance may have been to individuals who are not statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000. It may also include contributions to debt retirement or Congressional elections after 1994.

TABLE G, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN TOTAL RECEIPT CLASSES OF NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's total receipts and the number and size of its contributions to candidates,* e.g., does a committee with total receipts of \$500,000 make many contributions of moderate size while one with income of \$20,000 makes a small number of large contributions.

TABLE H, "LATEST CASH-ON-HAND OF NON-PARTY POLITICAL COMMITTEES BY CASH-ON-HAND BY AMOUNT," like TABLE F, serves two functions. It presents the distribution of corporation-connected, labor-connected, etc., committees into different latest 1994 "cash on hand" classes; and it provides the basis for TABLE I. It summarizes information from TABLE A and indicates whether one group or another tends to have committees which report larger latest 1994 "cash on hand."

TABLE I, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN LATEST CASH-ON-HAND CLASSES OF NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's latest 1994 "cash on hand" and the number and size of its contributions to candidates,* e.g., does a committee with latest 1994 "cash on hand" of \$103,000 make many contributions of moderate size while one with latest 1994 "cash on hand" of \$2,500 makes a small number of large contributions.

TABLE J, "EXPENDITURES ON BEHALF OF CANDIDATES NON-PARTY POLITICAL COMMITTEES BY CANDIDATES' PARTY," displays different types of non-party committees and their independent expenditures on behalf of candidates.* In addition the percentage of committees in a group which have engaged in this campaign financing activity is given. These expenditures are made without coordination or cooperation by the campaign.

TABLE K, "EXPENDITURES ON BEHALF OF CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY OFFICE, INCUMBENT/CHALLENGER-OTHER/ OPEN-SEAT CANDIDATE STATUS AND PARTY," provides additional data on independent expenditures on behalf of candidates,* e.g., does a particular type of

non-party committee make expenditures on behalf of candidates for one Federal office or for all three offices, of incumbents or of non-incumbents, or of candidates affiliated with a particular party. Expenditures on behalf of candidates include independent expenditures, honoraria, and contributions made to recount efforts.

EXPLANATION OF COLUMNS

NATIONAL PARTY POLITICAL COMMITTEES

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled CONTRIB FROM PARTY appears under TABLE A, as the third entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the April 1987 FEC Form 3X on which the information was reported are indicated.

(Party political committees are those committees that are part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.)

TOTAL RECEIPTS:

This column includes all incoming funds reported on Line 18.

NET RECEIPTS (Total Receipts Minus Transfers In from Party Political Committees Which Are in the Same Category):

This column represents the difference between the total receipts of a national party political committee and the total transfers it has received from committees, in the same category. Figures in this column more accurately depict the receipts situation, since total receipts are frequently inflated due to transfers between committees, in the same group.

CONTRIB FROM PARTY (Contributions from Other Party Political Committees):

This column represents transfers to a national party political committee from other party political committees which are not in the same category as the reporting

committee. The figures are taken from Line 12 of Schedule A.

CONTRIB FROM NON-PARTY:

Contributions to National Party Committees from non-party political committees registered with the Commission are included here. The source of the information is Line 11c of Schedule A.

TOTAL INDIV CONTRIB:

The sum of contributions from individuals (both itemized and unitemized) is reported here. Values are taken from Line 11a Column A of each report filed by the party committee.

\$200 UP INDIV CONTRIB:

Contributions from individuals in the amount of \$200 or more are included in this column. This total represents a subset of the previous column (TOTAL INDIV CONTRIB) and is taken from Line 11a of Schedule A.

IN-KIND CONTRIB REG COM (In-Kind Contributions from Registered Political Committees):

"In-kind contributions" are donations of services, goods, or property, e.g., the use of office space or equipment. They are valued at the ordinary market price and are reported on Line 11c or Line 12 of Schedule A. They are made by other political committees registered under the Federal Election Campaign Act.

TOTAL DISBURSEMENTS:

This column includes all outgoing funds reported by a political committee on Line 28 - Total Disbursements.

NET DISBURSE (Total Disbursements Minus Transfers Out to Party Political Committees Which Are in the Same Category):

This column represents the difference between the total disbursements of a national party political committee and the total transfers it has made to committees, in the same category. Figures in this column more accurately depict the disbursements situation, since total disbursements are frequently inflated due to transfers between committees, in the same group.

CONTRIB TO PARTY (Contributions to Other Party Political Committees):

This column represents contributions to other party political committees not in the same category as the reporting committee, e.g., contributions by National Party political committees' to registered state or local party political committees. Note that these represent funds from Federal accounts and do not necessarily include all moneys' transferred among national and state party organizations. The figures are taken from Line 20 of Schedule B.

CONTRIB TO NON-PARTY (Total Contributions to Non-Party Political Committees):

Figures here are contributions to non-party political committees. They are taken from Line 21 of Schedule B.

INDIV CONTRIB REFUNDS:

Itemized contribution refunds made to individuals, as reported by the political committee on Line 26a of Schedule B, are displayed in this column.

BEGINNING CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1993 (or its initial 1993 "cash on hand" if it registered subsequent to 1/1/93) is given in this column. This beginning cash balance is reported on Line 6.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1994 "cash on hand." These balances are taken from Line 10 (Line 8).

DEBTS OWED TO:

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 9 of the committee's latest report.

DEBTS OWED BY:

The outstanding debts and obligations owed BY the listed political committee are given in this column. The figures are from Line 10 of the committee's latest report.

TOTAL CONTRIB TO CANDID:

This column represents the sum of all contributions (donations of money or in-kind contributions of services, goods, or property) to Federal candidates during the period from January 1, 1993 through December 31, 1994. The source is Line 21 of Schedule B.

NUMBER OF CAND:

The number of Federal candidates to whom the committee made contributions during 1993-94. The source is Line 21 of Schedule B.

IN-KIND CONTRIB TO CANDID:

This column includes the total dollar value of contributions of goods, services, or property made to Federal candidates as reported by the party committee making the contributions. Note that this represents a subset of TOTAL CONTRIB TO CAND and not additional activity. The source is Line 21 of Schedule B.

CONTRIB TO CANDID 1993:

The proportion of TOTAL CONTRIB TO CAND made during 1993 is shown here. These may represent contributions to debt retirement from previous races, contributions to candidates in special elections, or contributions to 1994 election campaigns. Contributions and dates are reported on Line 21 of Schedule B.

CONTRIB TO PRES:

The proportion of TOTAL CONTRIB TO CANDID made to candidates for the Office of President is shown here, along with the number of Presidential candidates to whom contributions were made.

CONTRIB TO SENATE:

The proportion of TOTAL CONTRIB TO CANDID made to candidates for the Senate are included here, along with the number of Senate candidates supported.

CONTRIB TO HOUSE:

Contributions from the party committee to House candidates are included here, along with the number of House candidates represented.

TOTAL EXPENDITURES FOR:

Figures here represent coordinated

expenditures on behalf of candidates made by a party political committee which are permitted by 2 U.S.C. Section 441a(d). The amounts are taken from Line 23 of Schedule F. (Note that some of these expenditures may have been made on behalf of individuals who are not statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

CONTRIBUTIONS AND EXPENDITURES ON BEHALF OF:

The following six columns isolate contributions to Senate and House candidates by Incumbent/Challenger/Open-Seat status including the number of candidates and amount contributed in each category. The final three columns identify expenditures made by party committees by office sought by candidates supported.

NATIONAL-DEMOCRATIC:

Included in this TABLE are Democratic party political committees which have a scope larger than that of a single state or locality. These party political committees are separated into the following categories:

Democratic National Committee
political committees

Democratic Senatorial political
committees

Democratic Congressional (House)
political committees (In the 1993-94
election cycle, only one committee is
included in this category.)

Association of State Democratic
Chairpersons - this political committee is
a fundraising arm of the Democratic
National Committee which serves as a
fundraising agent and organizer for
selected Democratic State Central com-
mittees and Dollars for Democrats com-
mittees throughout the country

The segregation of these
national-level committees into different
categories, in this report and in previous
FEC Reports on Financial Activity, is
indicated by the presence of a SUBTOTAL.
Each time a SUBTOTAL appears, it signifies
that the preceding committees have
historically transferred monies between
themselves, as allowed by the Federal
Election Campaign Act, as amended.

The identification number which the
Federal Election Commission has assigned
to a committee (C.....) is listed next
to the committee's name. Also given is the
ending coverage date of the most recent
report containing 1993-94 financial
activity information which a committee has
filed. If no ending coverage date is
printed, it means that for a variety of
reasons, the committee has not filed a
report containing financial activity
information.

An asterisk (*) following a
committee's name means that the committee

files its report with the Secretary of the Senate or with the Clerk of the House of Representatives.

NATIONAL-REPUBLICAN:

Included here are Republican party political committees which are active in more than a single state or locality. These national party political committees are divided into the following categories:

Republican National Committee
political committees

Republican Senatorial political
committees

Republican Congressional (House)
political committees

The segregation of these national-level committees into different categories, in this report and in previous FEC Reports on Financial Activity, is indicated by the presence of a SUBTOTAL. Each time a SUBTOTAL appears, it signifies that the preceding committees have historically transferred monies between themselves, as allowed by the Federal Election Campaign Act, as amended.

The identification number which the Federal Election Commission has assigned to a committee (C.....) is listed next to the committee's name. Also given is the ending coverage date of the most recent report containing 1993-94 financial activity information which a committee has

filed. If no ending coverage date is printed, it means that for a variety of reasons, the committee has not filed a report containing financial activity information.
