I

DESCRIPTION OF REPORT

PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office, for the period which began on January 1, 1981. Political committees, which are entities registered with the Federal Election Commission, report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports has been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial information for each registered state and local major party committee, while VOLUME III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade/Membership/Health, Cooperative, Corporation without Stock) do the same for each non-party political committee.

WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees; for this reason it is not possible to add up a committee's specific receipts or disbursements and expect them to equal its total receipts or total disbursements.*

*For those familiar with the reporting of receipts and disbursements, it can be noted that the following information is not included: unitemized receipts and disbursements, and itemized other income, contributions from candidates, loans/loan repayments/refunds/rebates/ returns received from unregistered committees, operating expenditures, contributions/loans/loan repayments/contribution refunds made to unregistered committees, contribution refunds made to registered candidates or committees, exempt Presidential fundraising/local/accounting expenditures, and in-kind contributions made to registered committees.

LIMITATIONS:

This study must be considered an interim report based on information which has been received and processed to date. The information contained in it may be subsequently amended by the reporting committees or corrected by the Commission to rectify processing errors discovered during verification and review. This and future studies in this series are interim reports; only the final report, to be issued at the end of the 1981-82 election cycle, will give a complete picture of the two years of financial activity.

Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election Commission. This interim study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1980. As subsequent reports were received during 1981 and 1982 the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this REPORT'S TABLES were run on September 12, 1982 and used certain 1981-82 data which had been entered up to and including that

date. It should be noted that information from committee reports is placed into the computer system in stages, i.e., gross information (total receipts and disbursements, debts and "cash on hand") first, followed by itemized transactions.

The enumerated gross information is included for the following reports: reports from quarterly filers (July 15, 1982 quarterly report with June 30, 1982 ending coverage date) and from July filers (July 20, 1982 monthly report with June 30, 1982 ending coverage date) who had filed by September 12, 1982.

Itemized transactions were entered for only those committee reports filed by July 31, 1982; these itemized transactions were taken from reports of quarterly filers (July 15, 1982 quarterly report with June 30, 1982 ending coverage date) and of July monthly filers (July 20, 1982 monthly report with June 30, 1982 ending coverage date) who had filed by July 31, 1982.

Thus, a number of committees in this interim study had some but not all of the information from their latest report put into the computer system when the computer programs were run.

II

SUMMARY OF TABLES

The TABLES in this VOLUME are designed to show selected information for all registered Democratic and Republican state and local party political committees.* (State and local party political committees are those committees that are part of the official party structure at the State or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.) (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.) Also provided, at the end of the listings of state and local political committees, is information for major party committees formed by Americans in foreign countries. The EXPLANATION OF COLUMNS for State and local committees provides detailed definitions of columns and explanations of organization; it should be used in conjunction with the TABLES.

*This interim study excludes party joint fundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the joint fundraising committees themselves.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information. Total receipts and total disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are frequently inflated, due in large part to the fact that these sums include receipts from party committees within the same state. To avoid counting the same dollar twice as a receipt, these should be treated as though they were internal transfers. Therefore, all such intra-state transfers are given in the next column of the TABLE. These transfers are then subtracted from total receipts (or total disbursements) in order to produce an adjusted figure in the third column (either "TOTAL MINUS TI PSS" or "TOTAL MINUS TO PSS"). It is these two columns which most accurately depict receipts and disbursements.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending. As was noted in the DESCRIPTION OF REPORT where the omitted information was enumerated, the selected receipts and disbursements do not add up to the total receipts and disbursements.

A suggestion is offered for arriving at a more exact picture of the cash disbursements which a committee has made: since a committee receiving a free in-kind contribution of services, goods, or property reports it both as a receipt and as if it had been paid for, the amount given in the "IN-KIND CONTRIB REG COM" receipts column may be subtracted from the "TOTAL DISBURSEMENTS" figure to arrive at a more precise sense of the cash actually dispensed.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity to date.

TABLE B, "SELECTED FINANCIAL ACTIVITY OF REPUBLICAN STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," is identical in construction to TABLE A.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.

II

EXPLANATION OF COLUMNS

STATE AND LOCAL PARTY POLITICAL COMMITTEES

EXPLANATION OF COLUMNS

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled TRANS IN PARTY OTHER, appears under TABLE A, as the fourth party. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the March 1980 Form 3X on which the receipt and disbursement information was reported is indicated. (Party political committees are those committees that are part of the official party structure at the State or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.)

TOTAL RECEIPTS:

This column includes all in-coming funds reported on Line 18.

TRANS IN PARTY STATE (Transfers In from Party Political Committees Which Are Located in the Same State):

STATE AND LOCAL PARTY POLITICAL COMMITTEES

"Transfers" are exchanges of funds between party political committees. A party political committee which receives funds from another party political committee receives a "transfer in."

When a committee has its address located within the same state as another committee they are considered to be within the same state.* Special care needs to be used when examining committees within the District of Columbia. Figures in this column are taken from Line 12 of Schedule A.

TOTAL MINUS TI PSS (Total Receipts Minus Transfers In from Party Political Committees Located in the Same State):

This column represents the difference between the total receipts of a party political committee with an address in one state and the total transfers it has received in the same state. Figures in this column more accurately depict the receipts situation, since total receipts are frequently inflated due to transfers between party committees in the same state.

*If a committee reports receiving a "transfer in" from a joint fundraising committee, the transfer is treated as if it were from a party committee NOT located in the same state regardless of address. The transfers will be found in the column entitled TRANS IN PARTY OTHER.

EXPLANATION OF COLUMNS

TRANS IN PARTY OTHER (Transfers In from Party Political Committees Which Are NOT Located in the Same State):

This column represents transfers to a party political committee from other party political committees with addresses not located in the same state. The amounts come from Line 12 of Schedule A.

CORPORATION:

These figures are contributions received from non-party political committees which have identified themselves as being connected with a corporate entity. The amounts are as reported on Line 11c of Schedule A.

LABOR:

These amounts are contributions received from non-party political committees which have indicated a connection with a labor organization. The source is Line 11c of Schedule A.

NON-CONNECT:

Amounts here are contributions received from non-party political committees which have not reported a connected organization. The exception to this is that contributions from political committees in the health related field are included in the following column. Line 11c of Schedule A is the source.

STATE AND LOCAL PARTY POLITICAL COMMITTEES

TRADE/MEMBER/HEALTH:

Contributions from non-party political committees which have reported a connection with a trade association or a membership organization and from political committees in the health-related field are shown in this column. The amounts are reported on Line 11c of Schedule A.

COOPERATIVE:

This column contains contributions from non-party political committees which report that they are connected with a cooperative. Amounts are from Line 11c of Schedule A.

CORP W/O STOCK (Corporation Without Capital Stock):

Contributions received from non-party political committees which reported a connection with a corporation without capital stock are included in this column. Line 11c of Schedule A is the source.

TOTAL NON-PARTY CONTRIB (Total Contributions from Non-Party Political Committees):

This column, a summation of the preceding six, represents the total contributions to party political committees from non-party political committees.

EXPLANATION OF COLUMNS

IN-KIND CONTRIB REG COM (In-Kind Contributions from Registered Political Committees):

"In-Kind contributions" are donations of services, goods, or property, e.g., the use of office space or equipment. They are valued at the ordinary market price and are reported on Line 11c or Line 12 of Schedule A. They are made by other political committees registered under the Federal Election Campaign Act.

\$500 AND UP CONTRIB:

The amounts are the sum of itemized contributions of \$500 and over from individuals. The contributions may be either monies given directly to the committee or earmarked through another political committee or they may be in-kind contributions of services, goods, or property. (Contributions earmarked through the committee are not included.) The source is Line 11a of Schedule A.

TOTAL DISBURSEMENTS:

This column includes all outgoing funds reported by a political committee on Line 28 - Total Disbursements.

TRANS OUT PARTY SAME STATE (Transfers Out to Party Political Committees Which are Located in the Same State):

"Transfers" are exchanges of funds between party political committees. A party political

STATE AND LOCAL PARTY POLITICAL COMMITTEES

committee which disburses funds to another party political committee makes a "transfer out."

When a committee has its address located in the same state as another committee they are considered to be within the same state.* Special care should be taken when examining committees within the District of Columbia. Figures in this column are taken from Line 20 of Schedule B.

TOTAL MINUS TO PSS (Total Disbursements Minus Transfers Out to Party Political Committees Located in the Same State):

This column represents the difference between the total disbursements of a party political committee with an address in one state and the total transfers it has made to other party political committees located in the same state. Figures in this column more accurately depict the disbursements situation, since total disbursements are frequently inflated due to transfers between party committees in the same state.

*If a committee reports receiving a "transfer out" from a joint fundraising committee, the transfer is treated as if it were from a party committee NOT located in the same state regardless of address. The transfers will be found in the column entitled TRANS OUT PARTY OTHER.

EXPLANATION OF COLUMNS

TRANS OUT PARTY OTHER (Transfers Out to Party Political Committees Which Are NOT Located in the Same State):

This column represents transfers to party political committees with addresses not located in the same state. The amounts come from Line 20 of Schedule B.

TOTAL NON-PARTY CONTRIB (Total Contributions to Non-Party Political Committees):

Figures here are contributions to non-party political committees. They are taken from Line 21 of Schedule B.

CONTRIB REFUNDS:

Itemized contribution refunds made to individuals, as reported by the political committee on Line 26a of Schedule B, are displayed in this column.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1982 "cash on hand". These balances are taken from Line 8.

1/1/81 CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1981 is given in this column. This beginning cash balance is reported on Line 6.

STATE AND LOCAL PARTY POLITICAL COMMITTEES

DEBTS OWED TO:

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 9 of the committee's latest report.

DEBTS OWED BY:

The outstanding debts and obligations owed BY the listed political committee are given in this column. The figures are from Line 10 of the committee's latest report.

TOTAL CONTRIBUTIONS TO CANDIDATES:

These ten columns represent contributions (donations of money or in-kind contributions of services, goods, or property) to candidates from the listed political committee. The first three columns show combined contributions to Senate and House contestants broken down by incumbent, challenger-other, and open-seat candidate status. (Incumbents are those who have held a Congressional office at any time during the 97th Congress. All candidates who are not incumbent or open-seat candidates are categorized as "challengers-others." Open-seat candidates are those seeking election during 1981 or 1982 to a seat where an incumbent is not seeking re-election.) The next three columns show contributions to Senate candidates broken down by party (Democratic, Republican, and all other minor party and independent contenders). The next three columns give the same breakdown for contributions

EXPLANATION OF COLUMNS

to House candidates. The tenth column gives the combined sum of all contributions to Presidential, Senatorial, and Congressional candidates. The amounts are as reported on Line 21 of Schedule B. (Note that some of these contributions may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

TOTAL EXPENDITURES ON BEHALF OF CANDIDATES:

Figures here represent expenditures on behalf of candidates made by a party political committee which are permitted by 2 U.S.C. Section 441a(d). The amounts are taken from Line 23 of Schedule F. (Note that some of these expenditures may have been made on behalf of individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

STATE AND LOCAL - DEMOCRATIC:

This category is composed of subnational Democratic party political committees which operate primarily in one state or locality. (Note that the 1979 Amendments to the Federal Election

STATE AND LOCAL PARTY POLITICAL COMMITTEES

Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The identification number which the Federal Election Commission has assigned to a committee (C.....) is listed next to the committee's name.

STATE AND LOCAL - REPUBLICAN:

Non-national Republican party political committees whose activity occurs primarily within one state or locality are included in this grouping.* (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The printed identification number has the same meaning as have been given immediately above.

*This interim study excludes party joint fundraising committees and all financial activity which they have reported. The study already includes the next proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the joint fundraising committees themselves.
