

April 6, 2004

Dear Mr. Blish:

for
(202) 219-3923

This letter is intended as an official comment on the proposed rule changes which would require non profit advocacy groups to abide by the same ^{+preparation} accounting practices that govern partisan political committees. Such a change would cripple free speech and grassroots democracy. My comment, in a word is NO.

Sincerely,

Virginia W. DeVries
