Ms Mai T. Dinh,

RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF GENERAL
COUNSEL
2004 APR - 9 1 A D 16

Dear Ms. Dinh or To Whom It May Concern:

I was incensed to read about the new FEC proposed rules which would cripple groups that dare to communicate with the public *in any way critical of President Bush* or members of Congress. The Sierra Club and the Wilderness Society, etc. would not be allowed to oppose Bush & associates in their continual desecration of our environment; the Civil Liberties Union would not be allowed to oppose Bush & associates in their continual chipping away of our civil liberties...

Clearly this FEC proposal fits a part of Webster's definition of fascism:
"... **the forcible suppression of opposition.**"

Sincerely,

Nicholas Quinault
