FEDERAL

COMMISSION
OFFICE OF GENERAL
COUNSEL

Ms. Mai T. Dink
Acting Assistant General Counsel
Federal Election Commission (F.E.C.)
999 E Street, N.W.
Washington, D.C. 20463

Dear Ms. Dink,

I am extremely concerned about the Federal Election Commission's plan to remove the tax free status of issue oriented organizations. The organizations which give voice to specific issues should be congratulated for doing so, not penalized. The willingness and ability of people to speak out regarding the issues that concern them is one of the basic well-springs of our Democracy.

Please do what you can to stop this horrendous plan of the F.E.C. before it goes any further. Let us not become destructors of our own Democracy.

Sincerely,
Ms. Betsey Miklethun
