FEDERAL ELECTION  
COMMISSION  
OFFICE OF LEGAL  
COUNSEL

Ms. Mai T. Dinh  
Acting Assistant General Counsel

Dear Ms. Dinh,

I am expressing my horror at the proposed rules regarding political committee status. They are undemocratic and clearly meant to stifle the democratic process and should NOT be approved. There is no reason to muffle discussion and descent in this country, as descent is what makes this country unique and great in the wider world.

Sincerely,

Fran Mandel Sheets
