RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL

Dear Ms. Dinh:

I am appalled and outraged that the FEC would try to outlaw groups from speaking out about the policies and records of the President and other officials. These rules would clearly impinge on our constitutional right of Freedom of Speech, the most treasured value of the United States. This is still America!

If corporations have the right to "free speech" through advocacy ads, so does the ordinary citizen.

Sincerely,
