FEDERAL ELECTION COMMISSION

WASHINGTON, DC 20463

STATEMENT OF FEC VICE-CHAIRMAN NEIL STAEBLER--

FRIDAY, AUGUST 15, 1975

The Federal Election Commission has been working all summer to fully implement the election law and the Commission's responsibilities, and thus we are gratified by the U.S. Court of Appeal's decision upholding the Constitutionality of this important campaign finance law.

The FEC will continue to develop regulations, and provide even-handed and fair enforcement of the campaign finance disclosure, and the contribution and expenditure limitations, of the law.
