To be eligible to receive Federal Matching Funds, a candidate must first raise \$100,000 in contributions from individuals: \$5,000-plus in 20 different states, in amounts of no more than \$250 from any individual contributor. Candidates must also agree to abide by spending limits, to keep certain records, and to submit those records for audit.

Candidates may submit requests for funds on alternate Mondays of each month. The Commission will certify a percentage of the amount requested within one week of receiving the request. Only contributions from individuals in aggregate amounts of no more than \$250 are matchable.

In addition, the Commission has previously certified \$4,416,000 to each of the major political parties --for a total of \$8,832,000-- for the 1980 Democratic and Republican Presidential Nominating Conventions.
