## 1992 PRESIDENTIAL PRIMARY STATE-BY-STATE RESULTS COMPILED BY FEDERAL ELECTION COMMISSION

WASHINGTON-- A compilation of official state-by-state 1992 presidential primary results has been released by the Federal Election Commission. The compilation provides the votes and percentages of the total vote for each candidate.

Included are all presidential candidates listed under party designations, write-in candidates by name or total count and other variations that may be peculiar to a state under its specific statutes.

Primaries were conducted in 39 states, the District of Columbia and Puerto Rico, and the vote counts are from the official source in each state.

Copies of the publication may be obtained from the Commission's Public Disclosure Division, which prepared the report. Media may obtain a copy from either the Disclosure Division or from the Press Office.
