Dear Treasurer:

The Federal Election Commission (FEC or Commission) referred a compliance issue to the FEC's Alternative Dispute Resolution Office (ADR Office) for processing. The referral by the Reports Analysis Division (RAD) was based on a review of reports filed by Great Lakes PAC which reflect a possible failure to comply with the Federal Election Campaign Act of 1971, as amended.

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with Great Lakes PAC and Tim Kaltenbach, Treasurer (Respondents or the Committee). The ADR Program provides Respondents with an opportunity to negotiate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations are successful, the resulting settlement would conclude the matter.

The Commission, in referring the matter to the ADR Office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the ADR Program, you must: 1) indicate in writing a willingness to have your case submitted for ADR processing; 2) agree to participate in the bilateral interest based negotiations; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO, and the focus of our subsequent negotiations are summarized as follows:

The Reports Analysis Division (RAD) referred Respondents for a series of reporting errors and other FECA violations during the 2021-2022 election cycle. The Committee's errors included, among other items: excessive, prohibited, and other impermissible contributions or transfers, mathematical discrepancies, failure to provide supporting schedules, failure to

properly itemize contributions from individuals, and failure to properly itemize contributions and transfers to political committees.
