Dear Ms. Rawls:

In reference to the above, Mr. Jordan may have alerted you that he and I spoke approximately 2 weeks ago. My notes reflect that the deadline for submission of a response was extended to today, 9/1, and that email confirmation of this extension would be provided. I do not see any such confirmation in my file materials. If I was to send the email confirmation, than I misunderstood. Be that as it may, I am waiting for my client's signed certification in support of the response, which I cannot guarantee I will have today. To be safe, I am requesting an extension to file the response until 9/6. Please confirm this is acceptable.

Thank you,

Andrew L. Watson, Esq.
