RE: MUR 7268 Supplements

Dear Mr. Crosland:

On August 15, 2017, your clients Donald J. Trump, Donald J. Trump for President, Inc., and Bradley T. Crate in his official capacity as treasurer were notified that the Federal Election Commission received a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). At that time, your clients were given a copy of the complaint and informed that a response to the complaint should be submitted within 15 days of receipt of notification.

On September 15, 2017, January 9, 2018, October 29, 2018 and January 6, 2020, the Commission received additional information from the complainant pertaining to the allegations in the complaint. These supplements were not sent to you earlier due to administrative oversight. Enclosed are copies of this additional information. If you wish to consider this information in your response to the allegations, you are hereby afforded an additional 15 days to do so, or we will assume the previous response is also intended for this correspondence.

Any correspondence sent to the Commission, such as a response, must be addressed to **one** of the following (note, if submitting via email this Office will provide an electronic receipt by email):
