Re: MUR 7308

Dear Ms. Rawls:

I hereby respond to the complaint received in this matter.

Complainant alleges that in representing respondent Adam Victor and TransGas Development Systems, LLC in the now closed MURs 7005 and 7056 I "conspired to perpetuate a fraud against the United States." See Complaint, para. 110. Because the complaint does not allege that I performed any acts that violate the Federal Election Campaign Act, as amended, I respectfully request that the Commission conclude the same and dismiss the complaint insofar as it pertains to me.

Sincerely,

Squire Patton Boggs (US) LLP
