To Whom It May Concern:

I have not received any financial or in-kind campaign contributions from Candide Group, LLC or Aner Ben-Ami.

In addition, I do not know Candide Group, LLC or Aner Ben-Ami and was not aware that they "support" my campaign. Note that my name is misspelled on their web page.

I list my supporters on my campaign endorsers webpage, attached, and you will see that neither Candide Group, LLC nor Aner Ben-Ami are listed.

Please let me know if you have further questions or require additional information.

Sincerely,

Nikki Fortunato Bas

East Bay Express

"We think the former nonprofit leader is one of the smartest and impressive council candidates in this election. We also think she'll be stronger than [the incumbent] in pushing for tenant protections and tougher rent control in Oakland if Proposition 10 passes and will be a powerful advocate for affordable housing."
