RE: MUR 7615

Dear Mr. Jordan

I have received your letter dated June 5, 2019 regarding the complaint filed against me by Heller for Senate and Hellerhighwater PAC. I affirm that the violations detailed in the complaint against me are true and accurate and I do not contest these violations. I, of my own volition, misappropriated funds from Heller for Senate and Hellerhighwater for my personal use. I did so without the knowledge of my partners and family members at In Compliance Inc or Heller for Senate and Hellerhighwater PAC. I have since admitted to having a gambling problem and admitted to using these funds for my own personal use. I am immensely remorseful for my actions and will return all funds I have misappropriated from the Committees via my personal funds and the partner compensation I will receive as part of my partial ownership buy out from In Compliance Inc. I am seeking help for my addiction. I profusely apologize to the Commission and all those I have hurt as a result of my actions. My actions were mine and mine alone. I knowingly accept the consequences and take full responsibility for my actions; however, I would ask that you show leniency to In Compliance Inc and the Committees and not punish them harshly for my misdeeds.

Sincerely,

Ryan Phillips
