I believe Ohio congressional candidate Lavern Jones-Gore (candidate ID: H00H11098) has violated campaign disclaimer laws and possible campaign finance disclaimer laws by: releasing a video on October 18 ,2019 announcing her candidacy for Congress, fails to meet disclaimer requirements. Same side video, a company logo at the end possibly of the production company as a form of advertisement. Next same candidate has an live and active website that bears a disclaimer of (Lavern Gore For Congress) but no such committee/s Records are found. I believe it doesn't yet exist.

With all of the dark money controlling our government it is important that we follow the rules and stay transparent. Below please find the links to both the website and video in question.

Thank you.
