Dear Ms. Dennis,

Attached is a Designation of Counsel signed by Sally Ericsson on behalf of Montana Conservation Voters Action Fund, authorizing me to respond as counsel to MCVAF. We intend to file a response related to MUR 7718, but we request an extension of time due to the factual complexity of the matter that is the subject of the allegations in MUR 7718, combined with the challenges imposed by COVID-19 (e.g., not having access to all relevant files). For that reason, we request that you please extend the response date to May 20, 2020.

Thank you for your consideration,
Allen Mattison

Mr. Murphy,

Thank you. I appreciate the information.

Mr. Mattison: Could you send me a designation of counsel we do not have one on file and I will double check the emails in case it was moved by someone accidentally but I do not have it or any other communication from you. Please let me know when we can expect the response and if you need additional time to respond. Thank you for your time.

Kind regards,

Christal Dennis
