Dear Office of General Counsel,

I would like to draw your attention to the recent and persistent Facebook campaign on and around the 29<sup>th</sup> and 30<sup>th</sup> July by Representative Alexandria Ocasio-Cortez (New York's 14<sup>th</sup> Congressional District) of the Democratic Party, through Alexandria Ocasio-Cortez for Congress and Representative Katie Porter (California's 45<sup>th</sup> Congressional District) of the Democratic Party, through Katie Porter for Congress, soliciting me for donations through Facebook today. It is clear from my settings in Facebook that I am not a US citizen and I am in fact an Australian citizen.

I understand under the Federal Elections Act as a foreign national who is resident of the United States on a non-immigrant visa it is illegal for a politician or political party to knowingly solicit me for donations.

I have reported each instance of these ads, about 10 a day on the 28<sup>th</sup> and 29<sup>th</sup> July 2021, to Facebook but I would like you to investigate as to whether this constitutes an offense under the act.

Every ad I've received has a donate button on it to solicit donations. It would be very easy for an ignorant person not familiar with US election laws to easily click the button, donate and as such break federal law.

I respectfully request for you to investigate this activity and to have the persistent and continuous requests cease.

Yours Faithfully,

Richard A. Light

We've done the math: if we can get one contribution from every 418 people who see this post, we'll be on track to meet our goal by the end of the month.

Let me backup a bit. Last year, one of our opponents ended up raising more than \$10 million to spend against us and made our race the second-most expensive House race in the country. As we prepare for another tough race ahead, we're setting a very specific goal of raising \$849,119 this month — the exact amount two of our Republican opponents raised to spend against us when they launched in 2019.

Now back to how we hit our monthly goal together. Our team crunched the numbers and found that for every 418 people who see our posts, one will make a donation to our campaign. Can you make a contribution right now to get us to our goal and power our movement to lift up working families?

**WE NEED YOUR HELP:** The NRCC is going all-out to unseat Katie Porter in 2022 and flip her district back red. We ran some numbers and our math shows we need to raise \$250,000 by the end of this month if we want to stay on track with our plans to defend this seat and keep Katie in Congress.

Our average donation for Q2 was \$26. So we need 4,423 contributions in order to meet our goal. Can you rush a donation to protect Katie's seat?
