Washington, DC 20463

MEMORANDUM

To: The Commission

From: Lisa J. Stevenson
Acting General Counsel

Charles Kitcher
Associate General Counsel
for Enforcement

By: Aaron Rabinowitz *AR*
Assistant General Counsel
for Enforcement

Subject: MURs 8098 and 8111 (Cory Mills) – Substitution of Treasurer Name

On July 23rd, the Commission voted to accept the recommendations in the Office of General Counsel's FGCR, subject to edits to the F&LA and the errata memorandum previously circulated by this Office. On further review, it appears that the prior treasurer of Laura Loomer for Congress was still listed in recommendations 4-5 of the FGCR, rather than the current treasurer, who is Laura Loomer herself. Accordingly, this Office is circulating this memorandum recommending that the Commission direct the Office of the Commission Secretary to amend the vote certification to correct this issue.

RECOMMENDATIONS

1. Direct the Office of the Commission Secretary to amend the vote certification of the July 23, 2024 Commission vote on this matter to substitute Laura Loomer in her official capacity as treasurer of Laura Loomer for Congress.
