RE: MUR 8110: Statement of Designation of Counsel and Request for Extension of Time

Please find attached herewith Statements of Designation of Counsel for Respondents Right On Issues, Inc., and Caleb Crosby, its treasurer, in this Matter.

Having just been retained today as counsel for these Respondents in this Matter, in light of the complicated allegations in the pending complaint which require thorough inquiry and analysis, and given the non-time-sensitive nature of the matter under review – which concerns factual assertions based on alleged activities from more than two years ago – **I respectfully request a 90-day extension, to May 30, 2023**, in order to be able to adequately respond in this matter.

Please note that Right On Issues, Inc., unaware of any legal issues or pending complaint, wound down its activities and corporately dissolved in 2022 in the normal course of business. This appearance on its behalf does not constitute a concession that the organization is a proper party in this Matter.

If you have any questions or require any additional information, please feel free to contact me at any time.

Sincerely,

Michael G. Adams
