Answer from March 27, 2024 and sending again to follow-up on this complaint MUR8231

Hello Ms. Christal Dennis.

As per our conversation on March 27, 2024, I appreciate your information and this complaint MUR8231 should be dismissed because disclosure of the committee information (i.e., Charlie In Congress and Paid For By Charlie Kim in US Congress, which is the official committee name) is on each of the exhibits from the complainant. If there is another complaint about these flyers, pictures on Facebook, and other information sources, please explain to me the complaint. I will cooperate and am available to you, so please notify me if I can be of assistance to you.

Please note that I did not report my first FEC Quarterly Report because I did not have over \$5,000 of expenses and/or donations, so I am not required by FEC Rules to file according to my FEC Financial Analysis and other compliance experts. However, I did file my FEC Report when I was required and have continued to file as of today. Note that I am not in the general election, so I will discontinue to file my FEC Report if I discontinue this committee in the future and not run again.

Sincerely,

Charlie Kim
