

Independent Expenditure Table 2
Persons or Groups Reporting Independent Expenditures
from January 1, 1975 through December 31, 1976

The independent expenditures below were reported by persons other than political committees on FEC Form 5 within the given reporting period. Persons other than political committees are required to submit 24- and 48-hour notices of these communications, but must also report them on their next quarterly, monthly or election-sensitive report. The table below shows all FEC Form 5 submissions, including both original filings and all subsequent amendments. Simply summing all of these expenditures will generate an inflated total amount for this reporting period.
