Subject: Re: Response to the Draft Final Audit Report of the State Democratic Executive Committee of Alabama

Thank you, Ms. Burgess, for your email about the final audit report.

We are not asking for a hearing before the Commission on the final report, nor had I planned to correspond further to my earlier response which you accepted.

I am sending a copy of this email to Mr. Ed Gentle, Alabama Democratic Party Treasurer, in case he wishes to do otherwise. Thank you for your assistance.
